## Timeless Furniture For Your Lifestyle

Antebellum is a new, relaxed traditional collection styled in the tradition of period pieces, but scaled and designed with today's consumer in mind.

Crafted of walnut solids, figured swirly mahogany veneers, with inlays of maple and ebony veneers. In addition to the wonderful Hermitage wood finish, Antebellum also features an additional finish of Classic Black and Gold.

Shaped case fronts, beautiful bands of mahogany, inlays of maple and ebony work together to make this a rich and wonderful traditional collection.

Antebellum truly is a combination of craftsmanship, function and beauty.
